the process...

apply

You can apply online at www.mylifemyfinance.com.au or call one of our consultants on 03 9629 4484 and provide supporting documents (refer to our checklist on the back page of this brochure).

provisional approval

We strongly recommend provisional approval is obtained prior to signing a contract of sale for the purchase of your new home or investment property – your application will be assessed and if lending criteria is met, it will be provisionally approved. You will be notified of any special conditions e.g. valuation report or Mortgage Insurance approval.

approval

You will be notified when your loan is formally approved.

signing

Loan contracts (and mortgage documents if applicable) will be forwarded to you. Make sure you have read them carefully and signed them correctly before you return them as directed. Feel free to have the documents reviewed by your own legal representative.

settlement

Loan funds will be distributed as directed by you or your legal representatives.
